

MR. RICARDO ÁLVAREZ ISASI
(Bilbao, 1940)

Chairman of the Corporate Social Responsibility Committee.

Doctorate in Industrial Engineering from Escuela Técnica-Superior de Ingenieros Industriales de Bilbao and Professor of Electrical Engineering, with extensive teaching and research experience.

NOTEWORTHY EXPERIENCE FOR THE HOLDING OF HIS POSITIONS AT IBERDROLA:

Energy and industrial engineering sectors

He possesses experience in management positions in the energy industry, having been a member of the Board of Directors of Ente Vasco de la Energía (an institution controlled by the Government of the Autonomous Community of the Basque Country that fosters energy efficiency, diversification of sources of energy and promotion of renewable energy), and has a long track-record in the industrial engineering sector.

Other industries

In the financial sector, he has been General Director of Caja de Ahorros Municipal de Bilbao, whose merger with Caja de Ahorros Vizcaína in 1990 would result in the current Bilbao Bizkaia Kutxa, Aurrezki Kutxa eta Bahitetxea (BBK).

PREVIOUS EXPERIENCE IN CONNECTION WITH THE COMMITTEE OF WHICH HE IS A MEMBER:

He has both domestic and international experience in areas related to his position as a member of the Corporate Social Responsibility Committee. In addition to his position as a member of the Board of Directors of Ente Vasco de la Energía, he has been a member of the Board of Directors of Centro para el Ahorro y Desarrollo Energético y Minero (CADEM) and has been a member of various boards of trustees and foundations, including, among others, Fundación "Víctor Tapia-Dolores Sainz" and Fundación Escuela de Ingenieros de Bilbao. He has been a member of the Steering Committee and of the Social Board of Universidad del País Vasco.

He has held a number of positions with academic and research institutions, such as the position of Director of Escuela de Ingeniería de Bilbao, from which he has promoted lines of research relating to the rational use of sources of energy, among others.

OTHER INFORMATION:

He is a member of several scientific societies, of which Conférence Internationale des Grands Réseaux Électriques à Haute Tension (CIGRE) and The Institute of Electrical and Electronics Engineers (IEEE) deserve particular mention. He has been a member of the Electricity Committee of the Superior Council of the Ministry of Industry. He was Director of the technical magazine Dyna Ingeniería e Industria.
